

Kalina Iwaszko

PRODUCT DESIGNER

ABOUT ME

Strategic, data-driven Product Designer with an extensive background in motion and visual design. Focused on bridging the gap between **complex user needs** and **technical execution**, especially for **AI-powered** and **content-led products**.

Specialized in **building scalable systems**, with solid training in front-end essentials (HTML, CSS, JavaScript, React) facilitating smooth cooperation with engineering teams.

CASE STUDIES DECK

<https://drive.google.com/file/d/1mwCvAtzJzMUevMtdkzyVG57LupUcRAM6/view?usp=sharing>

KEY SKILLS

- **Product Thinking:** Lean UX, User Research, Information Architecture, Workshop Facilitation, Data-Driven Iteration, Accessibility (WCAG).
- **Execution & Prototyping:** High-Fidelity Prototyping (Figma), Design Systems, Micro-interactions (After Effects), Cross-Platform UI.
- **Technical Partnership:** Atomic Design, React, JavaScript, HTML/CSS, Git, Developer Handoff, Agile/Scrum.

LANGUAGES

English (fluent), German (B2), Polish (native)

WORK EXPERIENCE

Nov 2024 - Present

FREELANCE UX/UI DESIGNER

- **End-to-End Product Strategy:** Led the design of an AI productivity app from concept to App Store release, achieving first paying users through data-driven iterations.
- **Strategic Facilitation:** Conducted design thinking workshops for a small business (Tierarztpraxis Leberberg) to define service blueprints and personas, resulting in a streamlined digital booking system.
- **Systems Thinking:** Built and maintained a scalable design system to ensure cross-product consistency and reduce design-to-development handoff time.

WORK EXPERIENCE

Nov 2023 - Nov 2024

Orbit Health GmbH | Berlin, Germany

UX/UI & DIGITAL DESIGNER

- **Complex Domain Innovation:** Collaborated with the CTO and Senior Product Designer to define user journeys for AI-enabled clinical tools, specifically improving diagnostic workflows for neurologists.
- **Workshop Leadership:** Facilitated cross-functional discovery workshops to redesign the company website, aligning stakeholder visions with technical constraints to enhance B2B brand trust.
- **Accessibility & Systems:** Expanded the company's design system, implementing WCAG accessibility standards across Parkinson's-focused applications.

Jun 2019 - Mar 2022

Caspar Health GmbH | Berlin, Germany

MOTION DESIGNER / CREATIVE PRODUCER

- **Research-Driven Content:** Partnered with UX Researchers to conduct A/B testing on animated vs. live-action content, using engagement data to define new casting and content guidelines.
- **UX for Video:** Transformed medical education by applying a UX design approach to video content, using shorter, modular segments to increase user retention and motivation.
- **User-Centered Content:** Designed and produced a hybrid content production model and asset libraries, dramatically reducing production time while maintaining high emotional impact and clarity.

Nov 2017–Jun 2019

FREELANCE MOTION GRAPHIC DESIGNER / VIDEO POST-PRODUCTION CONSULTANT

- **Supervised** video production of high-impact visual content for global markets, collaborating with international stakeholders to ensure brand consistency across 55+ platforms.
- **Designed** animations for various international clients.

WORK EXPERIENCE

Nov 2015 - Nov 2017

trivago GmbH | Düsseldorf, Germany

MOTION GRAPHICS DESIGNER

- **Research-led content optimization:** Worked with UX Research team to test video ad performance, iterating on visual hooks and motion patterns to drive higher click-through rates and **market-specific engagement**.
- **Collaborated** with video producers, production houses, and company stakeholders, managing feedback to optimize content for different markets.

EDUCATION

Sep 2023 – Dec 2024

ReDI School of Digital Integration | Berlin, Germany

Courses in JavaScript, React, Web Development

- Foundational **JavaScript**, **HTML** and **CSS** knowledge, allowing for more effective communication with engineering teams regarding interaction patterns and technical constraints.
- Focused on component-driven architecture, managing state and props, and implementing React Hooks and routing to build **scalable user flows**.
- Mastered **Agile software development cycles** and **Scrum** ceremonies, including Sprint Planning, Retrospectives, and self-governed task management using Git/GitHub for collaborative version control.

Oct 2022 – Mar 2023

CareerFoundry | Berlin, Germany

UX/UI Design Program

- Executed a comprehensive UI design process focused on building **scalable design systems**.
- Designed responsive layouts applying **platform-specific interaction** patterns and best practices to ensure a seamless user experience.
- Integrated **UX research methodologies**, including user interviews and usability testing, to validate design hypotheses. Translated research insights into high-fidelity mockups and interactive prototypes that solve specific user pain points.
- Leveraged **advanced prototyping** and **motion design** to clarify complex design intent and transition logic for engineering teams.

EDUCATION

Sep 2014 – Jun 2015

Eugeniusz Geppert's Academy of Fine Arts | Wrocław, Poland

Photographic, Film and TV Post-production Program

- In-depth training in content creation and post-production
- Planning and optimizing post-production workflows.
- Creative direction in visual media projects.

Oct 2005 – Oct 2010

University of Wrocław | Wrocław, Poland

Master of Arts in International Relations

Faculty of **Social Sciences**, Specialization: Global Problems.

Developed skills in research, analysis, building insights, intercultural communication, forecasting, and understanding complex systems.

Curriculum: globalization, economics, statistics, international system, cultural and political systems analysis, human rights protection, commercial & international law and international economic relations.

Employment Reference Letter

To whom it may concern,

Ms. Kalina Iwaszko was employed at Orbit Health GmbH from November 27, 2023, to November 30, 2024, as a Digital and Visual Designer. During her tenure, she made valuable contributions to the company through her professional expertise and dedication.

Key Responsibilities and Achievements:

1. Marketing Design:
 - Designed and created engaging marketing materials, including printed brochures, flyers, social media assets, and digital advertisements.
2. Product Design Support:
 - Collaborated with the senior product designer on ideas for web and mobile apps to enhance support for Parkinson's disease patients and neurologists.
 - Contributed to user research and brainstorming sessions, offering insights that influenced app features and improved user experience.
3. UX and UI Design:
 - Led the UX and UI design process for the company website, conducting user research, wireframing, and prototyping to enhance both usability and visual appeal.
4. Brand Videos:
 - Produced brand videos for social media channels, managing the full production process, including storyboarding, scripting, editing, and delivery.

Ms. Iwaszko consistently demonstrated a high level of creativity, precision, and professionalism. Her work ethic was exemplary, and she was always willing to take on additional responsibilities when required.

Her conduct towards colleagues, superiors, and business partners was professional and cooperative at all times.

Orbit Health GmbH

Innere Wiener Str. 17,
81667 München

hello@orbit.health

Geschäftsführung:
Patty Lee

We thank Ms. Iwaszko for her contributions and wish her every success in her future professional endeavors.

Yours sincerely,

William Diggin
CTO
Orbit Health GmbH

Letter of Reference

Ms Kalina Iwaszko born on August 26, 1986 was employed in our company from June 17, 2019 to February 28, 2022 in the Product department as a Motion Designer/Creative Producer.

Caspar is an online rehabilitation platform. With the help of the software, medical institutions can carry out therapy measures - exercises, seminars, training and lectures - online with their patients. Independent of time and place. We are the market leader in the field of tele-rehabilitation, which transforms the provision of services between therapists and patients into the digital age.

The employed person was responsible for:

- Designing and animating visual assets
- Developing and editing motion graphics and live action video content from concept to final execution
- Developing post production techniques and processes in Content Team
- Collaborating on video content creation with script writers, external freelance designers and video crew members
- Briefing video production companies and freelancers
- Producing video shoots
- Directing video shoots (physical exercises and educational seminars)

Ms Iwaszko possesses excellent in-depth specialist knowledge even in peripheral fields, which she always applied to our business processes in a most effective and beneficial manner.

She continuously and very successfully expanded and updated her extensive specialist knowledge to the benefit of our company by regularly attending events to further her education.

Due to her very good perception, she was always able to understand complex situations immediately and to find very good solutions straight away.

Ms Iwaszko always worked using her own initiative and completely identified with her responsibilities and our company at all times. She always displayed an impressive level of dedication and motivation.

In extremely stressful situations, she always displayed exemplary resilience.

She always completed her tasks completely independently, extremely carefully and according to a well thought-out plan. She worked calmly, thoughtfully, in a target-oriented manner and extremely precisely at all times. She continuously impressed us particularly in terms of quality and quantity.

Ms Iwaszko was extremely reliable.

She was always able to find excellent solutions for any problems which arose.

CASPAR

The performance of Ms Iwaszko always earned our full recognition in every respect.

She was respected by everyone for her consistently friendly and well-balanced demeanour. She was always helpful, courteous, and where necessary, she put the interests of others before her own. Her personal conduct towards her line managers, colleagues and clients was always exemplary and loyal.

Ms Iwaszko will be leaving our company on February 28, 2022. We sincerely regret to see her go, as we are losing a very capable employee. We would like to thank her for her consistently very good performance and wish her all the best and much success in her professional and personal future.

Berlin, February 28, 2022

For the successful completion of the CareerFoundry program

UI Design

CareerFoundry proudly awards this certificate to

Kalina Iwaszko

The student has completed 688 UE (total hours) of the following courses in the program:

- **Intro to UI Design** 112 UE
- **Introduction to Design Principles** 119 UE
- **User Experience Design Process** 100 UE
- **User Interface Design Process** 136 UE
- **Mobile App Design for iOS & Android** 119 UE
- **Animation, Branding, & UI Design Portfolios** 103 UE

Date of completion

Mar 6th, 2023

Martin Ramsin

Managing Director

CERTIFICATE OF PARTICIPATION

This certificate is awarded to

Kalina Iwaszko

for successful completion of

JavaScript

OUTLINE:

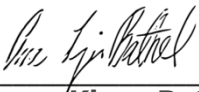

In this 14-week course, the student learns the fundamentals of Javascript and applies the knowledge by building interactive websites. After the course, the student is able to start their own web development project.

CONTENTS:

1. Start with JavaScript (console.log, Variables, Types, and Operators)
2. Programming with JavaScript (Conditionals, Loops, arrays, Functions, and Objects)
3. Objects and data (JSON, DOM, API)
4. Final Project

This course was held for a period of 48 hours from 13/09/2023 to 14/12/2023.

Berlin, 13/12/2023

Anne Kjaer Bathel

Managing Director ReDI School of Digital Integration
CEO & Co-Founder

CERTIFICATE OF PARTICIPATION

This certificate is awarded to

Kalina Iwaszko

for successful completion of

React

OUTLINE:

In this 14-week course, the student learns the fundamentals of Javascript and React. The student builds web applications and works on real-life projects. They learn how to start a website project from scratch and are familiar with the basics of the JavaScript framework React.

CONTENTS:

1. Intro to Javascript (Values, Types, and Operators, Program Structure, Functions, Objects and Arrays, ES6)
2. React (Components and Props, State, Lifecycle & Handling Events, Lists & Keys, Forms)
3. Final Project

This course was held for a period of 56 hours from 15/03/2024 to 27/06/2024.

Berlin, 10/07/2024

Anne Kjaer Bathel

Managing Director ReDI School of Digital Integration
CEO & Co-Founder

Global System Design Challenge

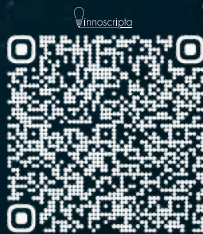

CERTIFICATE OF PARTICIPATION

this certificate is awarded to

Kalina Iwaszko

in recognition of their active participation in the Global System Design Challenge between May 2nd and June 26th, 2023. Your participation, enthusiasm, and dedication have been an integral part of the success of this challenge, and we have no doubt you will continue to excel.

Best wishes and thank you for your contribution!

Sincerely,

Michael Hohenester
Founder and Co-CEO

HR Generalist and IT Recruiting

Letter of Reference

trivago is the world's leading hotel search helping travelers find their ideal hotel at the lowest rate possible. Focused on reshaping the way travelers search for and compare accommodation, trivago aggregates data from over 1.8 million hotels worldwide across 55 platforms. The company's data-driven approach to technology and marketing results in 1.4 billion visits annually. Founded in Dusseldorf in 2005, trivago is one of the fastest growing companies in Germany. Listed on NASDAQ (TRVG), trivago has over 1,300 international talents from over 50 nationalities around the world.

Within trivago, the Brand Marketing team is responsible for our offline advertising strategies - focusing primarily on trivago's TV activities. The team also continuously reviews new advertising platforms which could be useful for trivago. They work with local media agencies in planning effective TV campaign strategies, controlling key performance indicators and improving trivago's brand marketing strategy.

Person

Ms. Kalina Iwaszko
Dorotheenstr. 34, 40235 Düsseldorf
Kalina Iwaszko worked for our company from 16.11.2015 until 31.10.2017.

Journey

Junior Motion Designer in our Brand Marketing department
16.11.2015 - 31.10.2017

Responsibilities

Within the Brand Marketing department, Kalina worked on the following tasks:

- Creating 2D and 3D motion graphics.
- Video post-production: Keying, color grading, tracking, compositing, editing.
- Attending TV shoots as a motion graphics supervisor. Responsible for smooth chroma keying workflow and real footage-CGI integration.
- Managing projects and having a close cooperation with producers, directors, editors and post-production freelance specialists.

Skills

Kalina continually impressed us in every respect and demonstrated a great set of competences. We want to highlight a few skills she applied most at trivago:

Trust - You created an atmosphere of trust.

Kalina was a great support to her colleagues.

Effort - She was truly committed and always did her very best.

Kalina was committed and worked hard to achieve deadlines.

Fanatic Learning - She always sought to gain and share her great knowledge.

Kalina was always keen to learn more to become a better professional.

We know Kalina to be a friendly, esteemed and open person who always earned the complete trust of her superiors and colleagues. Her behaviour towards superiors, colleagues and customers was always exemplary.

Overall

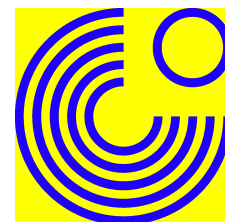

Overall, Kalina met our expectations in the best possible manner.

Kalina is leaving our company today, the 31.10.2017. We thank Kalina for her cooperation and wish her all the best for her professional and personal journey.
